

Where mentoring relationships can be mutually rewarding

Why 1001 mentors ?

Lack of qualified mentors in the Moroccan ecosystem

Preservation of knowledge within the Moroccan society

Difficulty for mentors to monetize their expertise

3 reasons to pursue this opportunity

- Increasing number of created startups in Morocco
- Increasing number of new support programs dedicated to startups
- Difficulty to find qualified mentors in the Moroccan ecosystem

Solution : what is the mentorship platform?

A digital platform where startups can get in touch with experienced mentors and entrepreneurs.

Registration

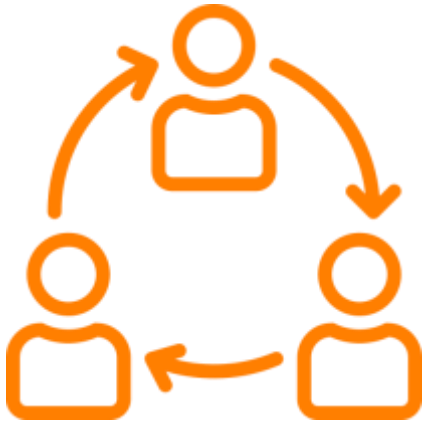

Select your mentor

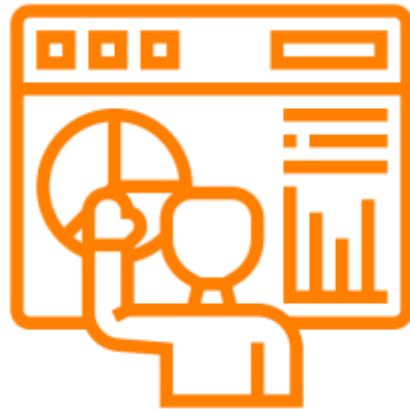

Connect
